NARRATIVE:

Robert White is a documented gang member with an extensive adult criminal history that began at the age of 20. He has been convicted of murder, several first and second degree burglaries, multiple cases of domestic violence with injury, possession of a firearm by a felon, exhibiting a deadly weapon, grand theft, receiving stolen property, attempted vehicle theft, vehicle theft, possession of controlled substances, possession of marijuana for sale, transporting controlled substances for sale, petty theft, forgery, tampering with a vehicle, false identification to peace officer, resisiting arrest, vandalism and failing to report. He has served multiple state prison terms the longest a 25 year to life term for burglary. White was released from state prison to the supervision of the Los Angeles County Probation Department on July 11, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in August 2014 after he absconded from post release community supervision (PRCS). White qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for burglary is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
